YOUR DONATION COULD HELP US...

\$35	Give someone A Night at the Theatre – buy a ticket for our mainstage productions to give to our community partners, who distribute it to the communities they serve. Our partners are Red Cross, Arafmi and Communify.
\$50	Dress an actor! Cover the cost of a costume for a <i>mainstage production</i> .
\$80	Make music. While we write most of our music, sometimes we use other people's, and your support could help us do this for our mainstage season.
\$370	Encourage a young actor! Cover the cost for one participant to attend <i>Young Actor's Shakespeare Intensive</i> on a Scholarship.
\$800	Train an Apprentice. This money would allow one of our Apprentices to train with us for 6 months for free, attending three of our renowned training courses, and covering their spot in our week-long training intensive on Stradbroke Island.
\$10,000	Pay for one actor to perform in our mainstage season, <i>Romeo & Juliet</i> and <i>The Rover</i> .
\$25,000	Support our Core Ensemble members. QSE runs on the work of our Core Ensemble as actors and business managers. This donation would go some way towards helping our business stay viable and ensuring the Core Ensemble can do their best work on and off stage.

\$60,000	Fund an entire Shakespeare Prison Project. These projects run for several months and culminate in performances by the inmates. Your donations would help ensure the quality of the project and give the best possible experience to participants.
\$80,000	Encourage new writing in Queensland – each year, we aim to develop contemporary, Australian writing as well as continue to explore the works of Shakespeare.
\$150,000	Fully fund our mainstage show! 2021 is a bumper season with productions of <i>Romeo and Juliet</i> and <i>The Rover</i> . Currently we produce our mainstage seasons on a limited budget, working on a profit-share basis. This donation would allow us to run a fully funded show.
